

This adapter cable is used to convert Sun's FLeX Series coil with Deutsch connector to Metri-Pack Series 150-2M.

## TECHNICAL DATA

|                                             |                              |
|---------------------------------------------|------------------------------|
| Operating Temperature Range                 | -30 to 110 °C                |
| Arc Suppression (TVS)                       | None                         |
| Power Consumption (cold) - at rated voltage | 17 Watts                     |
| Voltage/Frequency                           | 24 VDC                       |
| Operating Voltage Range                     | +10%/-15%                    |
| Duty Cycle Rating                           | 100 %                        |
| Connector                                   | ISO/DIN 43650, Form A, 3-pin |
| Coil Nut Torque                             | 0,5 Nm                       |
