

K (handknob) control kit

Model:
991-222

Sun offers a general purpose handknob with lock knob control for use in systems where frequent adjustments are necessary. The handknob components are added to the basic L control. Cartridges may be ordered in this configuration from Sun by specifying a K control in the model number. Sun kits for field conversion are also available.

Technical Features

- Only for cartridges manufactured in 1980 to present (date stamped "41" or later).
- Lock knob snaps easily onto the cartridge's existing locknut.
- K control for Series 0
