

SYMBOL

T- 31 A CAV.

The diagram illustrates the components of a T-31 A CAV symbol. It consists of four overlapping rectangular shapes arranged vertically. The components are labeled with numbers 1, 2, 3, and 4. Component 1 is the bottom-most rectangle. Component 2 is a rectangle above component 1. Component 3 is a rectangle above component 2. Component 4 is the top-most rectangle. The rectangles are arranged such that they overlap, with component 4 being the largest and outermost, and component 1 being the smallest and innermost. The entire symbol is enclosed within a dashed rectangular border.
